

BOARDING PROGRAM POLICIES & CLIENT AGREEMENT

Business Name: Meraki Canine LLC

Boarding Location: 105 Smith St. Cochran, PA 16314

Phone: 814-547-8091

Reservations & Client Portal: Paw Partner

By enrolling your dog in Meraki Canine LLC's Boarding Program, you agree to the following policies and conditions. These policies are designed to protect the safety, health, and well-being of all dogs in our care, our staff, and our facility.

1. PROGRAM OVERVIEW

Meraki Canine LLC provides a **VIP, relationship-based boarding program** designed primarily for dogs who already have an established relationship with us through our:

- Playcare Program
- Training Programs
- Prior Boarding experience

This approach ensures that dogs boarding with us are familiar with our staff, routine, environment, and handling style, allowing them to settle in more comfortably and experience less stress.

Our boarding program focuses on providing:

- A calm, structured, and predictable environment

- Enrichment-based activities
- Outdoor time and exploration
- Social play with compatible dogs (as appropriate)
- Personalized attention and handling
- Quiet rest periods and comfort-focused kennels
- Optional add-on services offered seasonally and throughout the year

Our mission is simple: The dogs come first.

We want every dog to feel safe, relaxed, confident, and well cared for during their stay—not confused, overwhelmed, or anxious.

2. VIP BOARDING ELIGIBILITY (Effective 2026)

Beginning in 2026, Meraki Canine LLC’s Boarding Program will operate under a **VIP, relationship-based model**. Boarding will be available only to dogs who meet at least one of the following criteria:

2.1 Eligible Dogs

- Dogs currently or previously enrolled in Meraki Canine Playcare
- Dogs currently or previously enrolled in Meraki Canine Training Programs
- Dogs who have boarded with us within the last **24 months**
- Other household dogs belonging to an eligible dog’s owner

Occasional exceptions, granted on a **case-by-case basis**:

- Dogs belonging to immediate family members of existing clients
- Dogs of long-time or former clients needing temporary boarding
- Limited external (general public) dogs **if space allows**, and only after evaluation and approval

2.2 Trial Overnight Stay (For Exception Cases Only)

For dogs who do not already have an established relationship with Meraki Canine:

- A **Trial Overnight Stay** may be required, without the owner present, to determine if the dog:
 - Settles appropriately
 - Eats normally
 - Rests calmly
 - Tolerates staff handling
 - Adjusts well to the facility environment

Trial stays are **not guaranteed** and are offered only when space, staffing, and safety allow.

2.3 Dogs Not Eligible

We do not accept:

- Dogs we have never met, unless approved as a special exception under this VIP model
- Dogs with repeated or severe anxiety in unfamiliar environments that cannot be managed safely (e.g., ongoing destructive behavior, self-harm efforts, extreme panic)
- Dogs with a history of serious aggression, severe reactivity, or unsafe behavior toward people or other animals
- Dogs requiring highly specialized or constant one-on-one medical or behavioral care beyond our operational capacity
- Dogs who pose a clear safety risk to themselves, staff, or other animals

Our goal is to provide a **stress-free, predictable boarding experience** for all dogs entrusted to us.

3. BOARDING RATES & BILLING STRUCTURE

3.1 Standard Boarding Rate

- **\$25 per 24-hour period per dog**
- Boarding is billed in **24-hour increments** from the time of drop-off.

If a dog is picked up **more than four (4) hours** after the scheduled pickup time, an additional fee will be applied, up to and including an extra full-day boarding charge (\$25), unless an exception is granted by Meraki Canine due to scheduling conflicts or other extenuating circumstances.

3.2 Holiday Boarding Fees

A **\$10/day/dog Holiday Fee** applies for major holidays, including:

- Thanksgiving
- Christmas
- New Year's Day
- Easter
- Fourth of July

Meraki Canine's Boarding Facility is **closed to the public on all major holidays**. While staff will still be onsite to provide animal care and complete essential cleaning and daily tasks, **holiday drop-offs and pick-ups are not permitted**.

In rare circumstances where a holiday drop-off or pick-up is deemed necessary and is **pre-approved in writing** by Meraki Canine, an additional **\$50 per dog Holiday Accommodation Fee** will apply.

3.3 Sunday Policy

- Meraki Canine LLC is **closed to the public on Sundays** for deep cleaning and facility reset.
- **Drop-offs** may be permitted on Sundays only if absolutely necessary and approved in advance.
- **Pick-ups are not allowed on Sundays**, unless previously agreed upon between Meraki Canine and the owner.

- Approved Sunday pick-ups have a **\$20/dog** fee.

3.4 Early/Late/Out-of-Window Fees

- Drop-offs or pick-ups outside scheduled appointment times require **pre-approval**.
- **After-Hours Accommodation Fee:** Minimum **\$20/dog**.
- Additional charges may apply if the disruption impacts staffing, operations, or scheduling across locations.

If a dog is picked up more than four (4) hours past the scheduled pickup time, an additional fee will be assessed, up to and including a full additional 24-hour boarding charge (\$25). This fee may be applied **in addition to** any After-Hours Accommodation Fee when applicable. Exceptions may be granted at the discretion of Meraki Canine in cases of scheduling conflicts or other extenuating circumstances.

3.5 Payment Policy

- Deposits are not required for most stays but **may be required during peak seasons** (holidays, summer months) or for longer/larger bookings.
- Owners are strongly encouraged to pay for their stay **in full at drop-off** whenever possible, to:
 - Expedite the pickup process
 - Minimize administrative delays
 - Allow staff to focus on dog care instead of check-out processing

Adjustments, additional days, or add-on services incurred during the stay may be paid at pickup.

4. STRICT DROP-OFF & PICK-UP APPOINTMENT POLICY

Meraki Canine LLC operates **multiple locations with carefully structured routines**. All drop-offs and pick-ups must occur at the **scheduled times** listed on the Paw Partner booking.

4.1 Appointment-Only System

Drop-off & pick-up times must be treated as **By Appointment Only**.

Merakin Canine Staff plan:

- Feeding schedules
- Medication administration
- Enrichment activities
- Cleaning and sanitizing
- Group rotations and yard time

around these specific times.

Owners are expected to:

- Arrive on time
- Communicate promptly if running late
- Request schedule adjustments **in advance**, not at arrival
- Understand that staff cannot stop operations unexpectedly to accommodate unscheduled arrivals

4.2 30-Minute Courtesy Window

- We provide a **30-minute grace period** after the scheduled time to accommodate traffic and minor delays.
 - Example: If your pickup time is 10:00 AM, staff will remain available until 10:30 AM.

4.3 After-Hours / Out-of-Window Fees

If an owner:

- Arrives **more than 30 minutes after** their scheduled time,
- Arrives significantly earlier than scheduled **without prior approval**, or
- Arrives **completely unannounced**,

a **minimum \$20 After-Hours Accommodation Fee** will apply.

This fee covers:

- Staff having to stop enrichment or monitoring
- Disruptions to feeding, medication, or rest
- Interruption of facility routines
- Adjustments across multiple locations and staff schedules

Repeated late or unannounced arrivals may result in **loss of booking privileges**.

4.4 Stress-Free Drop-Off Procedure

To minimize stress and separation anxiety:

- Drop-offs should be **short, calm, and efficient**.
- Please avoid prolonged goodbyes, emotional build-up, or lingering near the kennel area.
- If you have questions, we encourage you to:
 - Ask them **before arrival**, or
 - Hand your dog's leash to staff, step outside, and allow us to get your dog settled out of your sight. We will then return to answer any questions.

Dogs settle faster when owners depart promptly and confidently.

5. RESERVATIONS, CANCELLATIONS & NO-SHOWS

5.1 Reservations

- All reservations must be made through **Paw Partner** or by contacting Meraki Canine staff directly.
- Space is limited; early booking is strongly encouraged for holidays, summer, and weekends.

5.2 Cancellation Requirements

- **General Dates:** Cancel at least **48 hours** before the start of the stay.
- **Peak Season (Memorial Day–Labor Day):** Cancel at least **72 hours** before.
- **Major Holidays (Thanksgiving, Christmas, New Year’s, Easter, Fourth of July):** Cancel at least **12 days** prior.

5.3 Late Cancellation Fees

- Cancellations made **after the required notice period** will incur a **50% Late Cancellation Fee** (50% of the total invoice). Exceptions may apply and are at the sole discretion of Meraki Canine.
- This fee must be **paid before future bookings** will be accepted.

5.4 No-Show Policy

- **No-shows** (failing to arrive for a reservation without notice) are charged **100% of the total invoice**.
- The no-show fee must be paid before any future bookings will be accepted.

5.5 Early Pickup Policy

- There are **no discounts or refunds** for early pickup from boarding. Your reserved booking dates are held exclusively for your dog.

6. FACILITY SAFETY, CAMERA POLICY & STAFF PRESENCE

6.1 Staff Presence

- Dogs are not intentionally left for extended periods without some form of human presence directly on or monitoring the property.

6.2 Camera Monitoring

- The property is monitored with **24/7/365 security cameras** for safety and security of dogs, staff, and the facility.
- Clients **do not have access** to camera feeds. This is to:
 - Prevent stress from hearing familiar voices over speakers or devices
 - Avoid triggering separation anxiety or searching behavior
 - Protect fearful or noise-sensitive dogs
 - Maintain a calm environment for all guests

6.3 Facility Safety Standards

We maintain:

- Secure fencing and locked gates
 - Safe kennel setups appropriate for size and behavior
 - Fire and emergency protocols
 - Clean, sanitized indoor and outdoor areas
 - Separate enrichment and play areas as needed
-

7. TOUR & VISITATION POLICY

For the safety and comfort of all dogs, tours and visits follow **strict guidelines**.

7.1 Tours by Appointment Only

- All tours must be **scheduled in advance** via phone, email, or Paw Partner.
- Tour availability may be limited during peak times or high occupancy.

7.2 No Access to Main Kennel Area

Visitors may **not** enter the main kennel area for safety reasons, including:

- Potential escape attempts
- Heightened stress or reactivity from kennel dogs
- Off-feed behavior or gastrointestinal upset
- Urination/defecation due to stress
- Guarding or territorial behavior
- Increased risk of bites or accidents

7.3 What Visitors CAN See

During tours, we can provide:

- Photos
- Pre-recorded video
- Live, staff-controlled camera views (when feasible)
- A **sample kennel** located in a holding area (used for bath dogs or waiting dogs)

This allows owners to see the **kennel size, layout, and setup** without disturbing currently boarded dogs.

8. FEEDING, MEDICATIONS & WHAT TO BRING

8.1 Food Requirements

Owners must bring:

- Enough food for the **entire stay plus extra** in case of extended boarding due to weather or emergencies
- Food stored in a **sealed, clearly labeled container** (tote/bin).
 - **No open bags or loose baggies**, please.

If food runs out, the owner will be billed for:

- Replacement food cost, and
- A **procurement fee** for staff time and travel.

8.2 Medications

- All medications must be provided in **original labeled containers** (with dog's name, medication name, dosage, and instructions).
- A **Medication Intake Form** must be completed before or at drop-off to ensure proper dosages and timing are followed.
- Medication administration fees may apply.
- Dogs requiring medication must have their **own kennel** to prevent accidental ingestion by another dog (e.g., in the event of vomiting or dropped medication).

8.3 Bedding, Toys & Personal Items

- Bedding must be **100% parasite-free** and reasonably clean.
- We encourage owners to **bring only necessary items** due to limited storage space.
- If toys or bedding are chewed, soiled, or destroyed, they will be removed for safety and hygiene and stored until pickup when possible.
- Meraki Canine is **not responsible** for loss, damage, or destruction of personal items (beds, toys, blankets, collars, etc.).

We reserve the right to:

- Decline certain items (e.g., overly large beds, breakable items, dangerous chew toys).
 - Replace unsafe bedding or items with Meraki-provided materials when needed.
-

9. MULTI-DOG HOUSEHOLDS (Shared Kennels)

Dogs from the same household may **share a kennel** and receive our multi-dog discount **only if they:**

- Are fully compatible and friendly with each other
- Eat, sleep, and rest together comfortably
- Do not require separation for meals
- Do not require individualized medication within food or at specific times

If, at any time, household dogs display:

- Resource guarding
- Aggression or redirection toward each other
- Tension, stress, or agitation when confined together
- Incompatibility or elevated conflict during feeding or rest

They will be:

- Separated into individual kennels, and
- The shared-kennel discount will be removed from the booking going forward.

Any dog requiring medication must have their own kennel, regardless of how well household dogs get along, to prevent accidental ingestion by another dog.

10. HEALTH, VACCINES & PARASITE PREVENTION

10.1 Required Vaccines

All boarding dogs must be current on:

- Rabies
- DHPP (Distemper/Parvo combination)
- Bordetella

10.2 Recommended Vaccines

The following are recommended, but not required, unless otherwise specified:

- Leptospirosis
- Lyme
- Canine Influenza

We encourage you to consult your veterinarian about these vaccines based on your dog's risk factors and lifestyle.

10.3 Bordetella Requirements

- Bordetella is **required annually**.
- A **booster every 6 months** is recommended for added protection.
- Lapsed or first-time Bordetella vaccines must be administered at least **3 weeks prior** to boarding.
- Boosters must be given at least **72 hours prior** (5 days preferred).

10.4 Parasite Prevention

- Dogs must be on a **flea/tick prevention program** and be **free from visible parasites**.
- Dogs arriving with fleas/ticks will be:
 - Immediately separated from others

- Treated at the owner's expense
- Dogs showing signs of fleas, worms or other parasites **must** be picked up **immediately** and may only return with **vet clearance**.

As needed, Meraki Canine may administer:

- Parasite baths, spot-cleaning, or sanitary trims
- Additional sanitation measures

These services will be billed to the owner.

10.5 Illness & Illness Exposure

Dogs showing signs of illness will be denied entry.

If symptoms appear during the stay:

- The dog will be quarantined or separated.
- The owner will be contacted as soon as possible.
- A **\$20/day quarantine fee** may apply.
- Return for future stays will require being symptom-free and may require veterinary clearance.

If your dog:

- Shows signs of contagious illness within **3–5 days after boarding**, or
- Is diagnosed with a contagious condition such as kennel cough, giardia, parvo, influenza, etc.,

you agree to:

- Inform Meraki Canine promptly so we can notify potentially affected owners (without naming your dog) and adjust sanitation protocols if needed.

11. BEHAVIOR & SAFETY

We reserve the right to **remove any dog from group activities** or **dismiss a dog from boarding** if safety concerns arise.

Behaviors that may result in removal or refusal include:

- Aggression toward humans or dogs
- Severe anxiety or panic behaviors
- Destructive behavior (chewing or damaging doors, walls, facility beds, etc.)
- Escape attempts (climbing or charging fences, gates, or kennel doors)
- Inability to be safely handled (for feeding, cleaning, leash walks, etc.)
- Excessive reactivity, lunging, or threat displays

A **Safe Handling Fee** may apply if:

- Multiple staff members are required to manage a dog
- Equipment is damaged
- Staff or other dogs are placed at risk

Meraki Canine may:

- Transition the dog to restricted or no group play
- Require a muzzle or alternate handling equipment for safety
- Contact the owner to pick up the dog early
- Refuse future boarding or recommend alternative services (e.g., in-home care, vet boarding, behavior consults)

12. ENRICHMENT, PLAYTIME & ADD-ON SERVICES

Boarding typically includes:

- Daily enrichment activities (puzzles, sniffing games, structured engagement)
- Outdoor yard time (weather permitting)
- Social play with compatible dogs, if approved and behaviorally appropriate
- Structured rest time and quiet periods

Add-on services may be offered seasonally or throughout the year, such as:

- Spaw services (baths, nail trims, etc.)
- Holiday-themed sessions
- Photoshoots
- Training refreshers or short tune-up sessions
- Specialized enrichment options

Participation in group play and certain activities is always **staff-discretion-based** and may be adjusted for safety, age, or health reasons.

13. OWNER CHECK-INS & COMMUNICATION GUIDELINES

Owners are welcome to **check in** by text or via Paw Partner.

However:

- We cannot stop operations repeatedly for constant individual updates.

- We cannot guarantee frequent or extensive photo/video updates.
- During peak times (holidays, summer, weekends), updates may be **more limited**.

In general, **no news is good news**.

If there is a concern about your dog's health, behavior, or safety, we will contact you as soon as reasonably possible.

Frequent interruptions and "on demand" update requests reduce our ability to provide quality care for **your dog and others**.

14. EMERGENCY VETERINARY CARE & TRANSPORT AUTHORIZATION

If your dog becomes ill or injured while in our care:

- We will make reasonable efforts to contact you and/or your emergency contact immediately.
- If we cannot reach you, you **authorize Meraki Canine LLC to:**
 - Transport your dog to a licensed veterinarian (your listed vet when practical, or an emergency clinic depending on urgency and time of day).
 - Approve reasonable diagnostics and treatment as recommended by the veterinarian to stabilize or care for your dog.

You agree to be financially responsible for:

- All veterinary costs incurred on behalf of your dog;
- Any veterinary costs for other pets if your dog is determined to have caused injury through aggression or unsafe behavior;
- Any transportation-related fees or staff time associated with emergency care.

Meraki Canine and its staff will not be held liable for treatment decisions made in good faith when you are unreachable, provided they act in what they reasonably believe to be the dog's best interest.

15. ABANDONED DOG POLICY

If a dog is not picked up at the scheduled time and **no communication** is made:

- Continued care will be provided at the owner's expense at the current boarding rate (plus any applicable late or emergency fees).
- Multiple attempts will be made to contact you and your emergency contacts using the information on file.

If:

- More than **24 hours** pass beyond the scheduled pick-up time, with no confirmed arrangements or response, the dog may be considered **abandoned**.
- Meraki Canine LLC may, after a total of up to **72 hours** beyond the scheduled pick-up time and repeated unsuccessful contact attempts, transfer the dog to:
 - A partner rescue organization,
 - An appropriate shelter, or
 - Another suitable placement as permitted by law.

Owners remain responsible for:

- All outstanding balances
- Costs associated with continued care
- Legal fees, collection fees, and rehoming costs as permitted by applicable law.

16. SEVERE WEATHER, POWER OUTAGES & EMERGENCY EVACUATION

In the event of:

- Severe weather

- Extended power outages
- Flooding, fire, or other emergencies

Meraki Canine may:

- Adjust normal routines (e.g., shorter outdoor times, more crate/kennel rest)
- Move dogs to safer areas within the facility
- In extreme cases, **evacuate dogs** to another location (e.g., partner facility, emergency boarding site, or private residence approved by Meraki).

By signing this Agreement, you authorize Meraki Canine to:

- Make evacuation and relocation decisions necessary for your dog's safety;
- Transport your dog as needed;
- Invoice any reasonable costs associated with emergency relocation, boarding at alternate facilities, or additional care required due to the emergency.

17. PHOTOS, VIDEO & MEDIA RELEASE

Meraki Canine may photograph or video your dog during their stay for:

- Internal documentation
- Progress tracking
- Marketing and advertising
- Social media
- Website and printed materials
- Educational or promotional use

By boarding your dog with Meraki Canine LLC, you:

- Grant permission for Meraki Canine to use photos, video, and likeness of your dog **without compensation**.
- Understand that your dog may appear on social media, digital platforms, and print materials.

If you wish to **opt out of public use**, you must notify us **in writing**. Internal use (for safety, documentation, and training of staff) may still occur.

18. OWNER-SUPPLIED EQUIPMENT & DISCLOSURE OF BEHAVIOR

18.1 Owner-Supplied Equipment

You are responsible for ensuring that:

- Collars, leashes, harnesses, crates, and other equipment are in good working condition
- Any specialized tools you provide (e.g., martingale collars, prong collars, head halters, etc.) are fitted properly and safe

Meraki Canine is **not liable** for:

- Equipment failure of owner-supplied items
- Injuries or incidents that arise due to defective, worn, or improperly fitted owner-supplied equipment

We reserve the right to:

- Remove equipment that we deem unsafe or inappropriate in the boarding environment
- Substitute facility-approved equipment when necessary for safety and handling.

18.2 Behavior & Bite History Disclosure

You agree to fully disclose:

- Any history of aggression (growling, snapping, biting) toward people or animals
- Any known resource guarding behavior around food, toys, people, or spaces
- Any prior bite incidents (of any severity)
- Any escape attempts or destructive habits
- Any known fears or triggers (e.g., men, children, other dogs, storms, grooming, handling, etc.)

Failure to disclose significant behavioral history may result in:

- Immediate removal of the dog from boarding
- Refusal of future services
- Liability for any injuries, damages, or expenses caused by your dog

You remain legally and financially responsible for your dog's behavior at all times.

19. LIABILITY, ASSUMPTION OF RISK & INDEMNIFICATION

By boarding with Meraki Canine LLC, you acknowledge that:

- Boarding carries inherent risks, including but not limited to:
 - Exposure to illness or parasites
 - Minor injuries from play (scratches, nicks, sprains, sore muscles)
 - Stress-induced behaviors (pacing, barking, loss of appetite, gastrointestinal upset)
 - In extremely rare cases, serious injury or death

You agree to:

- **Assume all risks** associated with boarding your dog at Meraki Canine LLC, except where prohibited by law.
- **Release Meraki Canine LLC**, its owners, employees, contractors, and representatives from liability for injury, illness, loss, or death of your dog, except in cases of proven **gross negligence** or **willful misconduct**.

For the purposes of this Agreement, “gross negligence” and “willful misconduct” refer to conduct that goes far beyond ordinary negligence or an unavoidable incident inherent to animal care. These terms do *not* include accidents, unforeseeable events, or injuries that occur despite reasonable precautions.

Gross Negligence

“Gross negligence” refers to behavior that demonstrates a **reckless disregard** for the safety of your dog—meaning actions or omissions so careless that they show a substantial deviation from what any reasonable caregiver would do. Examples may include, but are not limited to:

- **Knowingly** placing your dog in a dangerous situation where serious harm is highly likely (e.g., putting a dog with known severe aggression into an incompatible group despite clear safety records).
- **Failing to provide basic care** such as food, water, shelter, or access to necessary medication when these needs were clearly documented and known.
- **Ignoring obvious signs of medical distress** such as difficulty breathing, collapse, seizures, or severe injury without seeking veterinary care or attempting to contact the owner.
- **Repeatedly violating safety protocols** after being trained on proper procedures, resulting in direct harm to an animal.
- **Leaving a dog unattended in extreme conditions**, such as dangerous temperatures, without reasonable justification or monitoring.

Willful Misconduct

“Willful misconduct” involves **intentional actions** or decisions made with full knowledge that they are unsafe, harmful, or contrary to established policy. Examples may include, but are not limited to:

- **Purposely harming a dog**, including physical abuse, intentional deprivation, or using force beyond what is reasonably necessary for safety.

- **Knowingly violating state or facility safety laws** designed to protect animals.
- **Intentionally ignoring veterinary instructions** or owner-provided medical directives in a way that directly endangers the dog.
- **Knowingly allowing dangerous dogs to interact** despite documented, serious risk indicators.
- **Falsifying records or lying to owners** regarding incidents affecting their dog's wellbeing.

Exclusions (What Does *Not* Qualify as Gross Negligence or Willful Misconduct)

To protect both parties and maintain realistic expectations, the following *do not* constitute gross negligence or willful misconduct:

- Injuries, illnesses, or behavioral events arising from **normal dog behavior**, such as play injuries, scuffles, stress-related symptoms, or ingestion of non-hazardous materials.
- Incidents resulting from **pre-existing medical or behavioral conditions**, whether disclosed or undisclosed.
- **Unforeseeable events** despite proper supervision (e.g., sudden dog conflict, unexpected medical episode, equipment failure not caused by misuse).
- Contagious illnesses that can occur even with full vaccination and sanitation protocols (e.g., kennel cough, giardia, canine flu).
- Injuries caused by **acts of nature**, wildlife, stray insects, or environmental factors reasonably outside staff control.
- Situations where the dog's behavior **deviates unpredictably**, including escape behaviors, fear reactivity, barrier frustration, or sudden aggression.
- **Indemnify and hold harmless** Meraki Canine LLC from any claims, damages, or costs (including reasonable attorney's fees) arising out of:
 - Your dog's behavior or actions
 - Your failure to disclose health or behavioral issues
 - Your violation of this Agreement or facility rules

You remain responsible for any damage your dog causes to property, staff, or other animals.

20. OWNER RESPONSIBILITIES

Owners must:

- Represent that they are the legal owner or authorized agent of the dog
 - Provide **truthful, complete behavioral and medical history**
 - Keep Paw Partner contact and emergency information **up to date**
 - Notify Meraki Canine of any new or changing health or behavior concerns
 - Bring food, medications, and approved items in **properly labeled containers**
 - Follow all facility rules, check-in/check-out procedures, and safety protocols
 - Read and abide by all policy updates as they are communicated
-

21. POLICY UPDATES & ACKNOWLEDGMENT

Meraki Canine LLC may update these policies at any time to reflect operational changes, safety improvements, or legal requirements.

- Updated policies will be posted or communicated through Paw Partner, email, or other reasonable means.

- Continued use of boarding services **after** policy updates constitutes acceptance of the updated policies.

By boarding your dog with Meraki Canine LLC, you:

- Acknowledge that you have read, understood, and agree to this **Boarding Program Policies & Client Agreement**.
- Agree to abide by all terms, conditions, and procedures outlined above.
